E-mail: dinel@dinel.cz

b) The Products Covered by this Declaration

Non - hermetic junction box

NB

c) Product brief

Non-hermetic junction box NB is used for termination of a cable with compensation tube and electrical connection to supply cable. The connection is provided using a terminal block inside the box. The junction box contains a membrane for ingress of atmospheric pressure and protection against ingress of moisture.

d) The Basis on which Conformity is being Declared

Electromagnetic compatibility: The product is not a source of electromagnetic interference and cannot be affected by electromagnetic interference (EMC).

e) Ensure production quality

Manufacturer's quality management system was found conform with the requirements of EN ISO 9001: 2016. The company is holder of the certificate of quality management system, reg. number CQS 2201/2021 dated 13.10.2021 and valid until 12. 10. 2024, issued by certification body CQS (IQNet). The certificate is valid for the development, manufacture and sales of electronic components and systems for measurement, control and industrial automation.

f) Manufacturer confirmation

The manufacturer identified in paragraph a) of this statement confirms that the properties of the product identified in point b) and c) of this declaration, meet the requirements, concretized in European technical standards identified in paragraph d) of this statement.

The product is under manufacturer's intended use safe. The manufacturer confirms that he has taken actions to ensure conformity of all products put on the market with technical documentation and the basic requirements.

Issued in Zlín, on 26. 10. 2021

Ing. Dalibor Štverka, Ph.D.
General manager
